

## **Mansfield Twp Clerk Position Vacancy**

Mansfield Township is seeking applicants from the **Mansfield Township community** to consider for appointment to its soon to be vacant Clerk position (the current incumbent has resigned as of Dec. 31, 2020).

Interested applicants need to submit a current resume and cover letter indicating why they are interested in being considered for appointment to the position to Township Supervisor Richard Dryjanski, 924 Way Dam Road, Crystal Falls, MI 49920, **by no later than January 16th, 2021.**

The Township Board will be selecting an individual to fill the position at its regularly scheduled meeting of January 20, 2021. No "in person" interviews will be conducted by the Board due to Covid restrictions, nor are they required by law.

The individual selected, in order to continue in the position, will then need to be a candidate for that office (Township Clerk) at the midterm general election of November 2022.
