

Thank You
Mansfield Township Residents

We would like to thank everyone that participated in our cookout on September 18th. Brock VanOss for doing all of the grilling, Pete Dishaw and the band for playing music that got people up to dance, Crystal Fresh Market for their greatly appreciated donations and Shirley Beck and Sharon Nichols for the historical display. Most of all, THANK YOU to all of the residents that came out to share the day.

Several residents inquired about another cookout for next year. Sounds like a GREAT IDEA. If you care to donate, please forward your donation to: Rosalie Poynter, 964 Way Dam Rd., Crystal Falls, MI.

These donated funds will be set aside so that picnics, Halloween, and Christmas parties are paid for.

THANK YOU ALL!!!
